# PRESIDENT REPORT

Hi everyone,

Welcome to the July magazine and the end of the financial year. For those members that have their own business, the unpaid work begins on the previous year's tax return! Isn't it fun.

Hope everyone is doing okay and are fit and well.

We have a new member that has joined our great club in June - Rafael Kielbasa. He is waiting on a 1959 C1 red/ white Corvette to be delivered from the USA . Looking forward to meeting Rafael and his Corvette soon.

Cheryl and I were unable to attend our last drive day down to the Heritage Balnarring on 26 June 2022. I believe there were 22 people including six Corvettes and a number of daily drives, it was a wet day but a good day. George, thank you for organising the event.

Our next day out will be Christmas in July on 31 July 2022 at the Reefton Hotel at McMahons Creek, just past Warburton. Further information is available in the magazine. Please message Dean on 0419 511 276 if you are interested in attending this event.

We have a few events coming up in the coming months:

**26 to 29 August 2022**, meet the Vics, Mt Gambier drive

**10 to 11 September 2022**, Eildon drive

**1 to 2 October 2022**, Stingray run Shepparton, then Euroa show and shine

All events will be advertised in the magazine

Don't forget to register for the upcoming Nationals which our club is organising with Surf Coast Corvettes and Vic Vettes, a lot of time and effort is going into organising this event. This is an event for all Corvette Club members from around Australia. Paper work and information is in the magazine !

Our next meeting will be on 14 July 2022 . Looking forward to seeing you all there.

Cheers Tony (alias Mr President)

# CORVETTE NATIONALS GOLD★RUSH

**BALLARAT 2023**

March 24th - 27th 2023

Proudly brought to you by ...

# 2023 Gold Rush Nationals

Source: City of Ballarat

**Corvettes of Melbourne, Vic Vettes and Surfcoast Corvettes** will host the first Corvette Nationals since Queensland in 2019, due to the enduring Covid 19 pandemic. It is important that we recognise and thank the South Australian and Canberra Clubs for their ongoing efforts attempting to hold the Nationals in the face of insurmountable odds.

Taking place in historic Ballarat, the **2023 Gold Rush Corvette Nationals** will run from **24-27 March**. This event has been moved away from Easter to avoid congestion and make our event more affordable for attendees.

All rooms have been secured at **Mercure Ballarat Hotel and Convention Centre**, which will transform into the Corvette HQ during the event. The campus-style facility means your cherished Corvettes can be parked immediately adjacent to, or in close proximity to your room, with additional security provided. The good news is we've been able to negotiate a fantastic rate for these Nationals so we advise you to get your bookings in early – otherwise, overflow accommodation will be available at a nearby hotel.

Spruce up your Corvettes, pack your favourite convention- and nationals- themed shirts, dig out your club regalia, pack your gold dancing shoes for the Gala dinner, and make your way to Ballarat for fun with the Corvette family. We look forward to seeing many familiar faces and to meeting the growing number of new enthusiasts.

### ***What will the 2023 Nationals offer?***

The Nationals will be held in and around Ballarat, Victoria's third largest city. During the 1800s, Ballarat was the epicentre of Australia's first gold rush, spawning the Eureka stockade as well as a rich history, culture, and well-preserved colonial-era heritage. That's why we're calling this event the **2023 Gold Rush Corvette Nationals** – we'll also take the opportunity to profile and feature the new **Corvette C8**.

### ***The Program***

#### ***Friday 24 March 2023***

On Friday, book into the event, receive your gift bag, and mingle at the traditional **Meet and Greet** to follow that night.

**The National Presidents' meeting will take place at 4pm.**

#### ***Saturday 25 March 2023***

A **Show 'n' Shine** will be held at scenic Lake Wendouree.

On Saturday night, we'll venture over to **Sovereign Hill** for a unique gold rush experience and to take a closer look into history of the era. Substantial finger food will be provided and drinks will be available to purchase from the bar.

#### ***Sunday 26 March 2023***

On Sunday, we'll take a **picturesque cruise** through the local gold country and surrounding country towns, enjoying lunch together and some **Show 'n' Shine awards** presentations before returning to the Mercure Hotel.

Upon arrival back at the hotel, there will be time to relax and have a drink with old and new friends.

The **gold-themed gala dinner** will be held on Sunday night at the Mercure Hotel. There will be plenty of music, so glam up in your finest attire, dress to impress, and wear your best gold dancing shoes. Here, there will be additional presentations as well as auctions and raffles.

#### ***Monday 27 March 2023***

Time to pack your Corvettes, say **farewell**, and make the safe journey home.

# C8 at Auction – Mark

## AUSTRALIAN C8 AUCTIONED AT LLOYDS

Anyone interested in the Corvette C8 knows the car is being built in right-hand-drive (RHD) configuration for countries including Australia, but that the number of cars being made available in Australia is limited, falling well below customer demand.

Although GM, trading in Australia as GM Specialty Vehicles (GMSV), had promised an initial shipment of some 240 cars to its dealers, followed by another shipment in its first year, the actual number of cars sold in Australia in the first 5 months has numbered only 93. If this import rate remains unchanged, the expected Australian deliveries for this year will be about 223 cars. It would seem safe to assume this number falls at least 100 cars short of GMSV's expectation.

This has caused a huge pent-up demand in Australia for the C8. This demand has prompted the GMSV dealers to profiteer on their sales by charging exorbitant dealer delivery fees. It is not unusual for a dealer to ask for \$20,000 to prepare a C8 for delivery – a task that is generally acknowledged to be worth about \$500 - \$700. Because dealers must base their sale price on the RRP of the car, the only way to increase their profit is to add a hefty sum to the dealer delivery fee. GMSV, nor any other vehicle wholesaler, has any power to control the dealer's delivery fee.

The next step in the price escalation was initiated by those customers who were high on the delivery list quickly placing their C8s on the open market, adding almost \$100,000 to their buying price and flipping their cars to willing buyers at that price. C8s have appeared on sites such as carsales.com at a price of \$300,000 and more. The cars have subsequently disappeared from the sites with rumours circulating among the Corvette community as to their final selling price.

So it was interesting to see a C8 recently appear at an Australian auction so we could all see what someone would actually pay to jump the C8 queue. The auction at Lloyds Auctioneers was given a nice shot in the arm by the GMSV announcement that the future MY2023 Corvette C8s would undergo a price rise of \$15,000. I have intimate knowledge of a well optioned 3LT Coupe which has been delayed to now be delivered as a MY2023, the price of which has as a result been raised to around \$230,000.

The C8 being auctioned was a new, unregistered 3LT Coupe with just 14 delivery kms on the clock. The car was painted in Hypersonic Grey with a two-tone Natural (saddle) and Jet Black leather interior. There are a few additional options visible on the car such as the black wheels and badges, plus red brake calipers, which push the price up by quite a few thousand dollars. The bidding was soon at \$235,000, easing up a little every few days as the deadline approached on Saturday, 8th June. When the clock ran down, the bidding had reached \$255,000, well over the price you would expect to pay at a GMSV dealership. With government statutory charges, the car could be expected to cost close to \$290,000 on road in Queensland, where it was sold.

There we have it. A C8 Corvette placed on the open market with eager bidders showing what they would pay to own one. This gives us a clear idea of what a C8 is currently considered to be worth in Australia.

# Balnarring Run – Neil

## BALNARRING RUN

On Sunday the 26th of June we had a club run and lunch at the Heritage Balnarring Pub. As forecast, the rain arrived just as I was making my way to the meeting point on the Westernport Highway.

Arriving at the designated car park at the BP, I tried to park my wife's little Alfa a distance away from the Corvettes that were there. Having accepted the invitation to feel free to bring a daily driver car, I decided climate control heating, reliable wipers with an intermittent function, and no dripping T-Tops was the go, but actually I think I must be getting soft in old age!

# Balnarring Run – Neil

It was good to catch up with other members, and I enjoyed the drive down to Balnarring following the eye catching Corvettes. On arrival at the pub there were quite a number of members old and new ( to me anyway) gathering and chatting, and it was great to meet new Corvette friends and catch up with old ones.

We had two large tables reserved for our members, ordered drinks and meals from the bar, spent a lot of time chatting an laughing (which we are good at doing). The meals were really generous portions and reasonably priced too.

The place really has a welcoming atmosphere about it, and was a great choice by the Events Team. Thank you to George and the events team for organising the day, I for one really enjoyed it despite the rather dismal winter weather, and I'm sure everyone else did too.
