

GOLD RUSH NATIONALS NEWS

UNDER 5 MONTHS TO GO!!

24 – 27 March, 2023

We are all now getting very excited about the 2023 Corvette Gold Rush Nationals as we are now **under 5 months out** from what will be truly a fantastic event!!

The 2023 Nationals Committee have been working very hard to secure you with the 'Best Value & Content Packed' event possible. This event is specifically targeted to provide all entrants and partners alike with one of the most complete and inclusive Nationals Conventions possible at a very conservative entry fee and, in the background of one of Australia's most infamous historical cities of Ballarat, Victoria.

This interim bulletin however, is very important to anyone currently considering joining the 2023 Nationals as we are now under 5 months out from the event and the committee strongly encourages you to get your entries in sooner than later. We are already receiving very high entrant numbers that means accommodation is filling very fast. On a very serious note the Mercure Motel, Best Western Motel and the Sovereign Heights Apartments are now fully booked. It is recommended you now book early with the Sovereign Hill Hotel by contacting them on 03 5337 1199 or on line. These are all within very close proximity to 'Corvette Central'.

The 2023 Nationals committee is very thankful to all those who have entered to date and we are noticing some clubs have been very strong with their early bird entrants and others now need to get a '**Gold wiggle on**'. We therefore ask that all Corvette Club Presidents and Individual Corvette Enthusiasts alike to 'reach out' to get either your club group or, individual member entries in ASAP to avoid any disappointment in participating in YOUR National Corvette Convention at Ballarat, the first opportunity to be held since Queensland in 2019!

Again, we do have "**some very exciting news**" to share with you all in the next couple of weeks but in the interim.. Let's get the message out to **get your entries in!!**
