PRESIDENT'S REPORT

It's been a cold and wet July, let's hope it warms up very soon.

We had our Christmas in July lunch on 16 July 2023 at The Pier 35 Bar and Grill in Port Melbourne, without the Christmas part. We found out prior to the event that the venue did not do Christmas in July.

We went through their menu and created a special menu for everyone to enjoy, which went down very well. The restaurant advised Cheryl that they would use this menu for some upcoming events, they said they were impressed. We had 43 people on the day which was a good turn out with good weather. The club paid for all meals.

Chris, a member of our club, brought his boat along and had it parked on the wharf outside the restaurant. I think it was a 58-footer, anyway a big boat. A lot of us made a visit to check it out. I am sure there will be a photo in the magazine.

I have been talking to Mark Andre about the upcoming event Meet The Vics in early November 2023 which could be in Echuca and Mildura. More information to follow, so keep this in mind. I don't think we will be having The Sting Ray run this year as nothing has been organised.

There is also going to be the Rock the Bay in the second weekend in February 2023. This is a fabulous weekend, Cheryl and I went last

year. Keep that event in mind also.

As you all know the AGM is coming up in September. If you want to be on the committee to help out this is your opportunity. Remember this is your club so get involved.

I am looking for a venue to hold our Christmas party on the first Sunday of December which would be 3 December 2023. So keep this date free if you would like to attend.

Our next club meeting is on the 10 August 2023 at the Tower Hotel. I am hoping to have a guest speaker at the meeting.

See you all there.

Cheers, Tony (alias Mr President)

Meet the Vics – November

MEET THE VICS 2023: 8 NOV to 13 NOV

This year's Meet the Vics Event will take place in Mildura & Echuca in the second week of November, just after the Melbourne Cup. The good news is that we should be encountering some good weather at this time of year with the local average max temperature being 26.4 degrees!

We are including both Mildura and Echuca for the event, but participants are able to attend either just one, or both locations. Rooms have been put on hold at motels in both places, but we plan to visit the Echuca motel in person before finally approving it. The motel in Mildura is the same as we used in 2021, so it can be booked now. Booking information for Echuca will be available within the next 14 days and you will need to phone the motels to secure your rooms.

Participants will arrive in Mildura on Wednesday 8th November in time for a Meet & Greet on Wednesday evening. Then, on Thursday, we'll enjoy some activities around Mildura. Those who came to Mildura back in 2021 will remember there are plenty of things to do. We haven't yet finalised the plan, but we are looking at lunch by the Murray River at the Trentham Estate Winery and a Paddle Steamer Cruise – an evening Dinner Cruise is being considered, along with other new ideas.

On Friday 10th November, after breakfast, we'll move on, taking a Corvette Run to Echuca, stopping for lunch along the way. We are on the lookout for the best route for a pleasant cruise and nice place to stop for lunch.

On arriving in Echuca on Friday afternoon, we'll hold another Meet & Greet to welcome the newly arrived Veters. On Saturday the plan is to explore the "Port of Echuca" district with its Discovery Centre, Paddlesteamers, St Annes Winery, Echuca Chocolate Company, the National Holden Museum and plenty more. We'll also investigate the possibility of putting our cars on show in the vicinity of the Port.

For Sunday we are planning a cruise around the Echuca Moama Silo Art Trail, visiting four of Victoria's silo and water tank art installations, along with other attractions along the way. Perhaps we'll have lunch at a winery, or even at the Gilgarre Market.

There will also be a big group dinner in Echuca, most likely on Saturday night.

The event is still 3 months away and final details are still being organised, so consider right now if you plan to attend. We expect both parts of the event to be booked out, so don't delay in booking.

MILDURA ACCOMODATION: City Gate Motel, 89 Seventh St, Mildura. All rooms are \$125/night. Contact Sue on - Phone (03) 50 700 952. Mention 'Corvette Event – Meet the Vics'

This Is Not a Nationals!

THIS IS NOT A NATIONALS

Hi Corvette Club Presidents,

We have started putting the arrangements in place for the proposed "Vettes Get Together" in Canberra, at Easter next year.

We have arranged a special accommodation deal at the Pavilion on Northbourne.

*The hotel has already set up the rate code, "**VETTE**", for the event and it is ready, both for phone reservations or through their website, www.pavilioncanberra.com.au.*

Please note that the rate given to us for an Atrium Hotel Room (image attached) is \$174 per night, which is below their Prepaid Advance Saver rate on their website.

The hotel will be offering the Vette guests who book, a flexible cancellation policy which gives them the flexibility to amend their reservation up to 24 hours before their arrival date.

All discounted rates will be available to the Vette guests up until the 29th of February, subject to availability, and the preferred form of booking would be over the hotel website.

Can I ask you to pass this information on to your members and for those members who plan to attend, can we have their confirmations by 29 February as well (email to lyndonandmichelle@hotmail.com) so we can arrange appropriate venues.

We in Canberra are very much looking forward to hosting the members from the other Clubs at this Vette Get Together.

Regards

Terry Ruse

Hi, my name is Barbie. This is the best day !

My partner's name is Ken, but we're just friends.

I've only recently joined Corvettes of Melbourne with the wonderful help of your Membership Officer. *Thank you gringo. Mmmmm-wah !*

Let me tell you about my Vette. It's a '56 in yours and my favorite color - Barbie Pink !

And it's electric. Check the lettering on the steering wheel ...

Electric is good, but I'm not sure where the batteries go in. At least they're included.

My friends ask me "*Barbie, why did you buy a Corvette ?*".

Well, being an independant and successful woman I've bought all types of cars. Ferrari, Porsche, Austin Healey and Mercedes. But this is the coolest of the bunch. *I love it !*

They also ask me "*Barbie, what do you enjoy most about being a Corvette owner ?*".

I tell them it's being able to drive down the street and smile and wave to all my friends, and then they smile and wave back. So I wave back to them. And then they wave back to me. So I wave again, smiling. And they smile and wave back. So I keep smiling and waving until I get around the corner, waving. And smiling.

C4 Convertible Rollbar/harness bar/chassis stiffener for sale

Have you ever wondered what would happen if you were hit in the rear of your C4 Convertible by a large truck?

Many years ago it happened to me in my Austin Healey Sprite. The truck's bumper/bull bar got as far as the rollbar – right behind my head.

Ever since I have put rollbars in my convertible road cars.

I had this one in my RHD C4 but took it out when I sold it.

It has curved backstay bars so that it doesn't interfere with the decklid or roof.

Best offer will buy this – happy if it gets an appreciative owner.
