President's Report

Hi everyone,

Welcome to December and to our last Magazine for 2025.

Our Christmas lunch will be held at the Heritage Golf & Country Club on 7 December 2025

commencing at 12:30pm. It should be another great day and is booked out. Hoping the weather is kind.

A reminder that at our next meeting on 11 December 2025 there will be a Kris Kringle after our meeting.

Last year was our first KK event and was very successful. Everyone had fun and a great time. If you would like to participate, you will need to bring a wrapped gift to the value of \$20.00. The gift must be unisex with no self portraits or photos of your car.

I have been working on accommodation for the trip to the Nationals to Noosa in March 2026. All is going well and a spreadsheet that Paula and myself have been working on will be emailed and put on COM chat hopefully before Christmas.

On the proposed 2026 calendar, we have not had enough people wanting to put their Corvettes in the calendar. On that basis, it will not be going ahead for this year, may be next year.

Our first meeting for 2026 will be on Thursday 12 February 2026 at the Tower Hotel.

I am sure events have put details of upcoming events for 2026 in the magazine.

Merry Christmas to everyone, to your families and to your furry friends.

Cheers, Tony Asquith (alias Mr President)

Chris' Coffee and Cake

Rivers of Yarrambat was the venue for Chris' Coffee and Cake on Tuesday 25th November. The morning was well attended, and from the numbers of male participants, it goes to show that there must be more men who have retired than women. Apparently the food was excellent and the company even better.

Jeep Restomod Accidentally Plows Into C2 Corvette, Trans Am, C7 ZR1 In Auction Parking Lot.

By [Jonathan Lopez](#). November 7, 2025

Multiple high-dollar collectible vehicles were damaged at a recent [Mecum Auctions](#) event in Fort Worth, Texas over the weekend after a driver apparently lost control of a 1958 Willys pickup restomod. The damaged vehicles include a 1977 [Pontiac](#) Firebird Trans Am, a 1966 C2 [Corvette](#), and a 2019 C7 [Corvette ZR1](#). The collision resulted in significant damage and reportedly sent three people to the hospital.

Photos from the event were posted to social media, showing the Willys pickup against the front passenger side fender of a C2 Corvette. The impact pushed the C2 in an adjacent black-and-gold Trans Am, which itself was shoved into a [C7 Corvette ZR1](#).

Judging by the photos, it looks as though the Willys suffered moderate front-end damage, with the auction listing highlights like a 5.7L Hemi V8, an eight-speed automatic transmission, a custom extended cab, custom exterior work, and a custom cabin. The Willys failed to sell, although bidding did reach \$70,000 (presumably prior to the accident).

Jeep Restomod Accidentally Plows Into C2 Corvette, Trans Am, C7 ZR1 In Auction Parking Lot.

The C2 Corvette looks as though it was the biggest loser in the smashup, showing torn bodywork, a mangled hood, and bumper damage. The C2 is finished in rare Mosport Green (code 982) paint and is powered by the 327-cubic-inch L79 V8, paired with a four-speed manual transmission and showing 25,477 miles (41,200 km) on the clock, changing hands for \$126,500.

The 1977 Trans Am is also a low-mileage collector with just 23,070 miles (37,100 km), now showing some damage to the fender and a misaligned hood, with a listed selling price of \$64,020. Finally, the 2019 C7 Corvette ZR1 is practically brand new, with a mere 656 miles (1,060 km), tagged with a listed selling price of \$232,760.

The user that posted the photos to social media suggests that a driver associated with the auction may have accidentally had their foot slip while moving the Jeep, causing it to unintentionally surge forward and resulting in the four-way collector car pileup. According to a report from [Carscoops](https://www.carscoops.com), Mecum has yet to confirm the circumstances surrounding the incident, while the condition of the individuals who were injured and details on who will pay for all the damage have yet to be announced as well.

20th – 23rd March 2026

36th Corvette Nationals

SUNSHINE COAST AUSTRALIA 2026

The Corvette Nationals is an Australian premier event that brings together passionate Corvette Club Members and enthusiasts of the iconic American sports car, the Corvette. 2026 will mark the 36th edition of the Nationals, and it promises to be bigger and better than ever. **'Get Your Kicks in 26' is proudly hosted by the Queensland Corvette Club Inc.** and with our valued Sponsors we will be in a stunning location at Noosa on the Sunshine Coast, the 4-day event is scheduled to take place 2 weeks before Easter.

Currently, **Peppers** is the only accommodation we have secured for the Nationals. It was selected because it can accommodate all entrants, keeps everyone centrally located, and offers the convenience of undercover parking. We have now locked in: 60 x 1-Bedroom Units & 20 x 2-Bedroom Units (each with 2 bathrooms).

If Peppers is outside your budget, you're welcome to explore alternative accommodation options in **Noosa**. While Noosa is generally more expensive than other areas, there are still some more affordable options available. A quick Google search for "*Noosa Accommodation*" should help you find suitable alternatives.

Also, we have been advised that Noosa will be hosting a **Surf Carnival that same weekend**, which means accommodation will become even more limited as we approach late 2025. If you're planning to attend the Nationals, we **strongly encourage you to book as early as possible**.

You can either download and complete the Entrant Form from the brochure, then scan, email it, and pay via EFT, or visit the QCC website to fill out the online form and make payment by Credit Card (surcharge fees apply) or select the cash option and pay via EFT.

Don't forget, you can always access the latest Program/Brochure and Entrant Forms on the QCC website.

If you have any questions or concerns, please don't hesitate to get in touch.

For and on behalf of the Qld Corvette Club.
Regards,

Brad Stumer

WE'VE DONE IT!

Corvette C7 Right Hand Drive Conversion

RIGHT HAND DRIVE C7 CORVETTE NOW APPROVED AND AVAILABLE!

We are the first (and currently only) place you can get the new right hand drive C7 Corvette, approved for registration in all Australian states. *Call now to secure your new Stingray or Z06!*

We have been converting Corvettes to right hand drive and Australian compliance for 35 years. So, if you want a Corvette or Camaro in Australia, there is only one place to go - Corvette Clinic.
