September Meeting and AGM

After diligently serving as the Corvettes of Melbourne President for eight years, Tony Asquith, decided the time was right for him to step down and encourage someone else to stand up and nominate to fill his position.

Tony and Cheryl have made an awesome team over the years, and now they will be able to sit back and enjoy the club in a far more relaxed manner.

Thankyou Tony and Cheryl, for all you have done for Corvettes of Melbourne.

Following dinner, and the usual monthly meeting, in which Tony stood down, Dan Butters chaired the Annual General Meeting.

Chris Tucker was nominated for the President Position, and accepted. Congratulations Chris. Following Joe Younane's resignation as Treasurer, **Lloyd Perrin was nominated for the position of Treasurer which he accepted**. Congratulations Lloyd.

With Michael Brand's resignation as Secretary, **Jeff Sutherland was nominated as Secretary**, and accepted. Congratulations Jeff.

With the final hit of the gavel, Tony stood down as President

Well hello Guy's and Girls,

It's October already and a new committee was enthusiastically welcomed in at our AGM held last month.

I'd like to personally thank the outgoing committee for an outstanding commitment to our club as expressed by Dan Butters kind words at our AGM. Without doubt the club is in a secure position and well placed to move forward.

We will be encouraging new members, and over the coming year we will also look at including attending some motorsport events.

The new treasurer is Lloyd Perrin, replacing Joe Younane, Jeff Sutherland is the new secretary replacing Michael Brand, and myself (Chris Tucker) replacing Tony Asquith as president. The other committee positions remain unchanged, with the exception of GG joining Webby, as Committee At Large..

I look forward to taking on the role as president and would like to take this opportunity to thank members at large for their support.

Our September event went off like a charm with a great turn out on a warm windy day, lunch was at The Rogue Squire Hotel in Wheelers Hill. We managed to beat the rain once again. I'm always impressed at the strong attendance to our regular events and a credit to the events team Shelly Weir and Kerrian Taylor.

I'm encouraging member's to come forward with whatever you think could be interesting content for our magazine.

I would love to see some stories, photos on reader's rides, projects, motoring stories or anything Corvette related, even some funny topical jokes. Paula would love to fill the magazine with some new content and you can forward this on to Paula at rentals@barrymarshall.com.au.

Look forward to seeing you all soon and remember the Corvette wave.

Chris Tucker.

Rogue Squire - Club Run

Sunday 20th September dawned full of sunshine, and after a few hours gale force winds drove through Melbourne blowing anything without much weight through the air.

A great turnout of members attended the lunch at the popular Rogue Squire in Wheelers Hill. Several of the cars scraped their bellies on the speedhumps, but, as always, we created an impressive show of beautiful Corvettes both old and new.

Carburettor Tuning

Article supplied by Brendan Greene

For a long time I have put up with difficult starting and general driving issues.

The motor and ignition were fine but the third element was the carburettor.

A friend had advised changing the 750 double pumper to a more conservative 600 Vacuum Secondary, but asking Glenn he said the existing carb was right for the job - just needed dialling in.

I contacted one of my clients that specialise in tuning, Lakeside Automotive.

The boys have decades of experience in engine builds, setups and tuning.

Back in 2019 we had a Dyno Day there where Tony, Michael and myself had our Corvettes run up on the dyno for an informative display of what the cars can do.

So last week I took the '72 there to get the carburettor adjusted.

Richard ran it up a couple of times to test response and mixture settings then changed the fuel pump accelerator nozzle and cam.

The difference is amazing, drivability is excellent and cold starts are much better.

Call Shane and the boys to get the most out of your car for performance and pleasure on (03) 9460 5630. Located in Reservoir at 234 Edwardes Street.

Top 10 Corvette Features Enthusiasts Love but Rarely Use

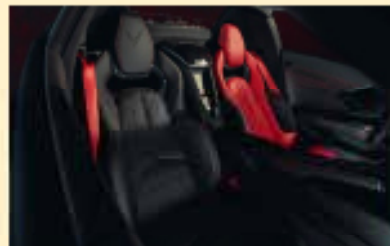

Continued from September Corvette Gazette

7. Valet Mode - Valet Mode locks storage compartments and the trunk. It will also disable the infotainment screen and activate PDR if so equipped. That is a nice little bit of extra security. But it really doesn't stop a valet or anyone else who has access to your car from abusing it. They can still do launch control, burnouts, pretty much whatever they want with the car. And a shop can't fully service a car when it is in Valet Mode.

8. Convertible Top at Speed - If you have a C8 convertible you can lower or raise the roof while you are driving at speeds up to 30 mph. That sounds great, but it is really more of a party trick than a useful feature. For years I have driven convertibles with similar capabilities and not once did I ever find it useful. The C8 roof can be opened or closed in just 16 seconds. That is far quicker than the average stop light. So, there really is no need to be driving while opening and closing the roof.

9. Memory Seats - Memory seats are a great feature. You setup the perfect driving position for yourself and you can do the same for whoever you share your car with. Then a simple press of the button returns the seat to the desired setting. The problem is that most Corvette owners don't let others drive their cars often enough to make this feature very valuable.

10. Top Speed - Modern Corvettes are extremely fast. And we love to talk about it. The new ZR1 can hit 233 mph. Awesome. And 0.0001 percent of C8 ZR1 owners will ever hit that speed. Heck, a C5 can top 170 mph and very few people will ever see that speed either. It is awesome that Corvettes are so fast. But the truth is that the top speed of these cars is largely academic because even on a racetrack you are not going to hit Vmax.

THE CORVETTE CLUB OF SOUTH AUSTRALIA INC PRESENTS

Corvette

NATIONALS

ADELAIDE 2027

5TH TO 8TH MARCH 2027
SOUTH AUSTRALIA

WWW.CORVETTECLUBOFSOUTHAUSTRALIA.COM.AU

Welcome

TO THE

2027 CORVETTE NATIONALS

The Corvette Club of South Australia is proud to host the 2027 Corvette Nationals as we celebrate a remarkable milestone - our 50th Anniversary. Established in 1977, the Club has grown into one of Australia's oldest and most dynamic Corvette communities, with more than 300 passionate members.

Why Adelaide in 2027?

In 2023, at the Presidents' Meeting held during the Corvette Nationals in Ballarat, it was unanimously agreed that South Australia would host the 2027 Nationals - an ideal way to commemorate our Club's **Golden Jubilee**. This landmark event is set to be one of the most memorable to date, welcoming Corvette enthusiasts from across Australia, New Zealand, the United States, and beyond, to our beautiful capital city of Adelaide.

The Heart of the Event - The Oval Hotel, Adelaide Oval.

Our celebrations will be centered around the iconic Adelaide Oval, located in the very heart of the city. March is renowned locally as "Mad March," a vibrant time filled with world-class events including the Adelaide Festival, WOMAD, and the Adelaide Fringe. We encourage attendees to immerse themselves in Adelaide's rich cultural atmosphere alongside the excitement of the Nationals. Adelaide is a thoughtfully planned city, encircled by picturesque parklands, and our host venue features a unique hotel integrated into the Oval - an ideal central base for your stay.

Enjoy the convenience of underground parking and the reassurance of after-hours patrolled security throughout your stay at the Oval.

A CELEBRATION YOU WON'T WANT TO MISS! BE QUICK AS PLACES ARE LIMITED!

HIGHLIGHTS OF THE WEEKEND

5

Friday, March 5: Registration opens at 11am at the Oval, followed by the traditional Meet and Greet at the Lindsay Head Terrace Bar. Be sure to wear your club shirt - it's the perfect way to connect and celebrate together.

6

Saturday, March 6: It's time to Shine at the Show and Shine at Bonython Park, perfectly positioned on Adelaide's edge. Enjoy some free time in the afternoon before coming together for an elegant dinner at the Adelaide Pavilion, nestled in the beautiful Veale Gardens of the South Parklands.

We are seeking expressions of interest for an afternoon tour of Adelaide Oval. Additional details will be provided once we gauge the level of interest.

7

Sunday, March 7: Embark on a scenic drive through the Adelaide Hills to the National Motor Museum at Birdwood, followed by lunch at Barossa Park in Lyndoch - a state-of-the-art oval complex built for AFL's Gather Round. After lunch, enjoy free time exploring local wineries at your leisure.

Sunday, March 7: Gala Dinner:

The Gala Dinner 'Dine with the Corvettes' will be held in the William Magarey Room at the Oval, where awards are presented, raffles drawn, and memories made.

8

Monday, March 8: Farewell and Safe Travels!

COMMUNITY SPIRIT & GIVING BACK

Our Club proudly supports local charities, notably Heart Kids SA, to whom we have donated over \$30,000 through our Charity focussed events.

The Nationals are not just a celebration of cars but also of community and generosity.

The 2027 Corvette Nationals will be an unforgettable gathering filled with camaraderie, culture and, of course... stunning Corvettes. We can't wait to welcome you to Adelaide and celebrate this landmark year with style and passion.

Let's make history together - see you in March 2027!

An event like this simply wouldn't be possible without the generous support of our sponsors, and we are proud to showcase their support throughout our event.

Thank you for your valued support and generosity.
